

The Tulsa Public Schools Before/After Care Program offers a safe, educational, and fun environment for your child! When your child attends the program, he/she will have the opportunity to use the skills and knowledge they are learning during the school day as they explore their interests in math, science, reading, physical activity, and art.

The program also provides full day programs when school is not in session for fall break, winter break, spring break and summer. Full day programs may be provided at an alternate school.

We are very excited about having the opportunity to provide this service for your family! For enrollment information please call or stop by the Before/After Care office.
