I also want to remind everyone of the ebooks that are available for checkout online from our ebook collection during the summer. To access the ebooks go to the TPS website, www.tulsaschools.org, and click on About the District/Library Media Services/Library Catalogs. Find your school library on the list and click on it. Click on Follett Shelf located on the left menu. Students log in using their school ID as their username, and their last name as their password. Students can then browse and check out ebooks. Follett ebooks can be read on a computer (desktop or laptop), IPAD or Kindle Fire. I hope you and your student enjoy all the wonderful titles.
