OneVoice Regional Legislative Summit

For the last several weeks, the Tulsa Regional Chamber's OneVoice task forces have worked to develop a set of legislative priorities in key areas ranging from education to tax policy. This week, task force members and local leaders will meet to review those priorities and compile them into a list of 15 state and 15 federal issues of critical importance to our continued success as a state, and as a nation. This list will serve as the Tulsa Chamber's 2017 OneVoice Legislative Agenda.

Please take a few minutes to share this information and the below invitation with your community supporters, volunteers, foundations, and PTA or PTO leaders and members to ensure that public education issues are represented in the 2017 agenda.

Proposed education priorities include restoring state education funding, addressing our state's teacher shortage, and maintaining current federal funding levels for the Pell Grant Program.
