GIRL SCOUTS

Do you have a child in K-5th grade who is interested in camping, hiking, canoeing and other outdoor activities, at the same time learning about leadership, social responsibility, caring for her community, and would like to meet other girls with the same interests? Girl Scouts might be something to check out. We are open to all ages. Please contact Wendy Owsley, greenitupnow@gmail.com.

Interested in substituting?

Substitutes are always valued at Eliot. If you are interested in substituting for teachers when they are out of the classroom, please go to the TPS website and submit an application. When the process is complete let Mrs. Waldie in the office know to add your name to our preferred list.

This event is the culmination of a 3rd grade economics project focused on shopping locally to support critical city services with sales tax. The event will take place on Thursday, October 13, 2016. People wearing these yellow shirts will be eligible to enter door prize drawings while shopping and eating at a discount. The list of participating businesses will be available the week of October 13. These shirts CAN be worn as Spirit Wear on Fridays.

These are the same t-shirts we wore last year for the “Shop. Dine. Love. Brookside” event. No need to order a new one if yours still fits 😊.

This is a 3rd grade project, in cooperation with the Eliot Elementary Foundation. If you'd like to help us ensure every 3rd grader receives a t-shirt, please consider buying an extra (sending an extra \$6). Thanks for your support of our students!

School Directory

All new students to Eliot, even if you already have an older child in the directory, will need to be entered in by the parent. Don't forget about your new Pre-K or Kindergartener. The child's name only will appear unless you enter your student. Please enter code "eliotelementary" to make sure they are in the system with updated information. Eliot Lockdown Policy

Family members,

What if?...

Do you know what to do in the event of a school crisis? As you know, safety is a priority at Eliot and we would like to take a moment to let you know what your role as a parent would be in a crisis situation. The entire staff works hard every day to ensure the safety of your student. In the event of a lockdown of any type, the doors will not be opened to anyone outside the building, including parents. This also means if you are inside the building you will need to remain here to prevent any accidental entry. Emergency responders have access to the building and will not need our assistance to open a locked door. So if there is any threat outside we want to keep students safe inside. When the threat passes we will open the doors. If there is an event at our site that causes us to evacuate we will relocate to Brookside Baptist where our building crisis team will be able to provide information. We practice safety drills with students on a regular basis so that they know what to do should the need arise. It will be important for you to understand, even if we know you, we will not open doors to allow entrance. The safety of our children will always be a priority. Thank you for continuing the support of our school and the educational experience of your children.

So in summary:

- Wait for information
- True crisis situations will be communicated out via Schoolway App
- Remain understanding when doors remained lock
- Pick up children at Brookside Baptist if an evacuation is necessary
