A MESSAGE FROM MRS. HOLT

We will have brand new lockers when we return next year. Please do not purchase items to decorate lockers. We want to keep our new building looking nice for many coming years.

Also, please do not send any drink from home next year other than plain water. We have multiple reasons for this request. If your child brings anything other than water, they will be asked to throw it away.

Have a wonderful summer with your family! Please watch for building updates regarding Meet Your Teacher Day.

I may be reached by email regarding any questions or clarifications that may arise over the summer.

CHINESE CAMP

Do you want your child to learn Chinese?! Do you want to continue your study of the Chinese language over summer break? Is your child going to be in the 2nd-6th grade in the fall of 2017?

We are excited to offer our Chinese Language Camp again this year at OU-Tulsa from June 5th-June 16th. This is our tenth year to offer this camp. This tuition based two-week camp is based on world class curriculum developed through the Confucius Institute at the University of Oklahoma. All instruction is provided by certified Chinese language teachers.

Please reserve a spot by paying a \$50.00 registration fee (only 50 spots available. Send to address below - check made out to the Univ. of Oklahoma). The cost for attending for one week is \$150.00 and \$300.00 two weeks (See the attached flier for more information). Unfortunately we did not receive funding from STARTALK this year, but believe we can offer the camp at a very affordable price).
